## EXPLANATORY NOTE

The test certificate shall not be reproduced except in full, without written approval of the laboratory. The results are only valid for the sample as received.

The uncertainty of measurement for the applied methods of analysis are retrievable from the ASM department.

Opinions and interpretations in this certificate are outside the scope of accreditation.

The samples will be stored until 91 days after the date of reception.

The analyses that state -M after the reference method should be interpreted as equal to the aforementioned reference method.

The tests identified by the two letters code ZV are performed in laboratory Eurofins Lab Zeeuws-Vlaanderen. Tests with (#) identify tests without accreditation.

The tests identified by the two letters code YK are performed in laboratory Eurofins Survey Netherlands BV .Tests with (#) identify tests without accreditation.
